<sup>1</sup> The Domain Score is based on the average of the standardized indicator rates. It ranges from **0** (greatest number of inequities) to **100**.

<sup>2</sup> The Neighbourhood Equity Index uses a four-colour scale to signify how Ottawa neighbourhoods are faring.

Benchmarks are the cut-off points (below or above) at which Ottawa neighbourhoods are likely to experience the greatest or fewest

*For more information please go to the Ottawa Neighbourhood Index Technical Report*

*The Neighbourhood Equity Index is a place-based index and while a good indication of overall wellbeing the index may oversimplify*
